

All St. Ambrose Families Are Required to Complete and Return This Form

2011-2012 Lunchroom / Playground Sign-up Form

Dear St. Ambrose Families:

We are blessed to be a part of the St. Ambrose family. The dedication of our staff, teachers and families make our school community a nurturing and Christ-focused environment in which our children can learn. The participation of all school families contributes substantially to the success of our school.

Parent participation in various roles during the playground and lunchroom periods is necessary from all school families. Families are required to serve ten (10) times during the school year, or to pay a fee of \$230.00. All those who volunteer in the school must comply with the diocesan Policy on the Protection of Children and Young People.

Families are expected to find a substitute where scheduling conflicts arise, either by switching with another family or by seeking a substitute from the paid substitute list which will be made available early in the year. This list will be made up of parents who have completed their 10 required sessions, and are available for paid substitute duty. If you seek their services, you will directly compensate them for their time. The fee is \$20.00 and this will be a transaction between you and that individual and will not involve the school. If someone from your family fails to appear on the assigned day, the school will charge you a fee of \$25.

Playground duty hours: 10:55 to 12:20
Lunchroom duty hours: 11:00 to 12:40

Please indicate your preferences by completing the form below and returning it to the school office before Sept.3, or by e-mailing your preferences to **Mary Rhodes at cafeteria@stambroseschool.org.
