LESSON AND TUITION AGREEMENT

Dear Parents:

Music educators agree that evaluation of student interest, process and probability of success in learning how to play an instrument, requires a basic period of instruction. Parents agree to enroll the student(s) named below in the **GARWOOD WHALEY MUSIC PROGRAM** for a minimum period of one-half year. During this period of instruction, the teacher will provide a written evaluation to assist parents in determining their child's progress. Termination of lessons can only occur after the minimum period of instruction (one-half a school year) and receipt of a drop notice signed by the parent and music instructor. No refunds will be made for lessons missed before the end of this period.

Tuition is based on the regular school year including all scheduled school and national holidays. This tuition is for all teaching services including a minimum of 27 lessons, rehearsals, programs and school concerts. Upon receipt of this signed agreement and initial payment of tuition, your child will be enrolled. Parents will be billed according to the tuition payment selected.
