"It is not enough just to wish well; we must also do well."

~ St. Ambrose

Dear Parents:

Happy Sunday! I hope all of you had a wonderful Thanksgiving break. I am writing to ask for your help to reduce the risk of COVID-19 exposure in our school. Please remember that we are a family and we are responsible for one another.

If during the Thanksgiving holiday you participated in higher-risk activities, traveled to any COVID-19 high risk travel areas [VA Department of Health-High Risk Travel areas](#), or think that you may have been exposed during your celebration, please take extra precautions to protect others at school. Specifically, **please do not send your child(ren) to school until you are certain that you and your child(ren) have not been exposed to COVID-19 and have satisfied the suggested 14 day quarantine.** Our online program is available for students in quarantine, waiting for physician clearance, or waiting for test results.

Let's continue to watch over each other and pray for all community members' safety and wellbeing.

Yours in Christ,

Maria Teresa Tejada
