Dear Parents:

I am happy to inform you that St. Ambrose Catholic School finalized the School Reopening Plan for the 2020-2021 school year. The Reopening Plan has been approved by Father Fisher, the Diocese of Arlington and submitted to the Virginia Council for Private Education (VCPE). The complete detailed plan is posted on our website.

The main objective of the Plan is to provide an outstanding educational experience to our students in a healthy and safe environment. Under the Plan, all students are expected to receive instructions within the school building following strict CDC guidelines and recommendations for social distancing to mitigate the risk of COVID-19 spread. The Plan also accommodates students who are sick, in quarantine, or at higher risk by providing distance learning opportunities as needed. Please let us by August 5, 2020 if your child is at high risk and will be participating in our distance learning program.

I know the high level of anxiety and challenges this pandemic represents to all of you. So, given the fluidity of the pandemic situation, I will be in constant communication with you to inform you of any updates or changes to our Plan.

I look forward to your partnership to support our students in their Catholic education. I appreciate your flexibility as we diligently work to advance always.

Yours in Christ,

Maria Teresa Tejada
Principal
