

St. Ambrose Catholic School

Extended Day Program

Before and After School Care

2017 - 2018

Hours: Before School: 7:00 - 8:00A.M.
After School: 3:15 - 6:00 P.M.
Closed on all school holidays

Fees: Yearly Registration fee - \$35.00 per family
\$7.00 per hour for the first student in a family
\$5.00 per hour for each additional student in a family

The Extended Day Program is staffed by caring professionals who provide a safe, loving and fun environment for the students. The director is assisted by several aides who maintain a ratio of one adult to 10-15 children.

Children are given the freedom to choose activities and to release energy in games and play. They are expected to show respect for peers and staff and to abide by the rules of the school. Arts and crafts, both structured and free form, are presented for those who are interested. Outside play and indoor physical activities are provided in an atmosphere which emphasizes sportsmanship and fun.

There is time and space for the students to work on their homework. The staff is available for questions and gives assistance when requested. Students are encouraged to exercise responsibility in completing work carefully.

Older students volunteer their time to tutor or play with younger students. Board games, arts and crafts, puzzles, balls, basketball, and outdoor activities are available. Students may participate in after school activities such as track, choir, band, Chess Club, and STEM activities.

A snack is served daily, which includes fruit, vegetables, crackers/cheese, and popcorn. If you have any questions, please contact **Mrs. Maureen Earner**, the Director, through the school office at (703) 698-7171.
