St. Ambrose Catholic School

A National Blue Ribbon School of Excellence

February 27, 2016

Dear Friends of St. Ambrose,

Good evening and welcome to our annual St. Ambrose School Gala. We welcome parents, parishioners, faculty and staff, our parish priests, and supporters of our school. Tonight we look back fondly to simpler times, before the assault of social media, when VCRs were the cutting-edge technology, when fashion made a real statement! Welcome to Saturday Knight Fever, a step back to the 70's! As I look forward to enjoying my first Gala, I am touched by the strong sense of community that permeates. We are thrilled to welcome back St. Ambrose alumnus David Culver of NBC4 to host our evening!

St. Ambrose Catholic School was founded 21 years ago by parishioners who believed that we could support a school that could compete with the strong Fairfax County schools. They believed that we could provide the faith component that children need to thrive. I think they would feel gratified to see that their prayers were answered, and their hard work justified by our Blue Ribbon School. We stand on the shoulders of educators and supporters who have provided the expertise and funding to allow us to provide an excellent education for our students, including an expanding preschool, a resource program for children facing learning challenges, and stimulating extracurricular activities. We especially welcome back my esteemed predecessor, Mrs. Barbara Dalmut, who continues to support our school in many tangible ways.

Congratulations and gratitude to our Gala Chair, Sue Bogan, her planning committee, consisting of Lexx Greshock, Kate Lindquist, Mary Anne McKeown, Sue Tiwari, and Rosalie Zuniga, for organizing such a lovely evening. Steve Walker and our PTO Board have given strong leadership, and we are grateful to them as we continue to work together to make our school vibrant, affordable, and faith-filled. I am also very grateful to Clare Stalnaker, our Room Parent Coordinator, for taking the lead on the classroom baskets.

We are blessed to have the solid support of our parish priests. Thank you, Father Fisher, Father Smith, and Father Starzynski for your prayers and constant support of our parish school. Our students and staff are very fortunate to have you in their lives.

Finally, words cannot express the gratitude I feel for our faculty and staff. They exemplify the Spirit of St. Ambrose and make our school a wonderful place for children and adults alike. We are blessed to have such an accomplished teaching team!

Please enjoy this Saturday Knight Fever (Go Disco!). Thank you for making St. Ambrose School a priority in your life. May God continue to smile on St. Ambrose School!

God bless,

Angela Rowley

Dear Parents and Friends of St. Ambrose school,

Thank you for attending this year's gala Saturday Knight Fever! I tried to find a white three-piece suit for the occasion but no luck (ok, maybe I didn't really try that hard). As you know, St Ambrose Catholic school was started over twenty years ago now by St Ambrose parents and parishioners for one reason and one reason only – Christ. It is a school where kids can still be kids in a wonderful and safe learning environment. That environment and “community feel” doesn't happen by accident; it is built by dedicated faculty, staff, priests and parents who work together to form our children to be builders of the Kingdom here on earth.

The money raised tonight will go directly to retaining our great faculty and staff, will help pay for student field trips and will aid the teachers in classroom startup and curriculum enhancements. If there are funds left over, we will spend these on classroom technology upgrades. The teachers have also identified items that would make a big difference in their classroom instruction and those can be found on the Giving Tree here tonight. Please be generous with your donations this evening.

Finally, I attended Catholic grade school in the 1970s at St Peter's Catholic school in Dayton, Ohio. Our 8th grade graduation song was played as we processed out of church after Mass – “December 1963”. My 7th grade religion book was orange with three big letters on the front cover – JOY. I still turned out ok despite the 1970s catechesis because I was surrounded by caring teachers, staff, priests and parents. It was a great upbringing and education and I'm grateful that I can give my kids the same experience here at St. Ambrose Catholic school.

Finally, a big THANK YOU to Sue Bogan and her committee who brought you Saturday Knight Fever this evening. These events take a lot of effort and a lot of people coming together to make it happen. Sue did it, and she did it all with a smile.

Have fun tonight,

Steven Walker

Auction Tax Deduction Tips

Many people are often curious to know what is tax deductible when you go to an auction. Here's what you need to know:

- * If you donated an item, you can deduct the fair market value of that item
- * You are only allowed to deduct the amount for an auction item over the fair market value. For example, if you win a \$100 certificate for \$125, you can deduct the \$25. Remember this as you bid because even you if pay over the fair market value, you are not only getting the tax deduction, but you are also helping our school!
- * Any cash donation you make for Fund a Need, the Giving Tree, or to the event in general is 100% tax deductible!

General Auction Rules

All bids are binding and all sales are final. No exchanges or refund requests will be honored. Auction items must be paid for in full. Please note specifications and limitations carefully. All services, trips, gift certificates, and such must be used within one year of the auction unless otherwise noted and are subject to availability. Taxes, tips and beverages are generally not included in restaurant certificates unless specified. Unless specified, dates and times are to be arranged at the mutual convenience of the donor and the buyer.

Items will be sold “as is” to the highest bidder with no warranties expressed or implied. No statement contained in the catalog or made orally shall be deemed to be such warranty, representation or assumption of liability. By purchasing, the buyer waives any claim for liability against either St. Ambrose, the PTO, or the donor, and neither the school nor the donor is responsible for any personal injuries or damages that may result from the use of property or services sold.

Silent Auction Rules

To bid, write your assigned bidder number on the line of the item bid sheet. Minimum opening and increase bid amounts must be adhered to in order to be valid. Announcements will be made ten minutes and five minutes before the Silent Auction closes. Upon closing, winning bids will be circled on bid sheets and the bid sheets will be collected. A carbon copy will remain. No subsequent bids will be allowed. An invoice will be prepared for each winning bidder for check-out at the end of the evening in the computer lab.

Live Auction Rules

To bid, raise your paddle in the direction of the auctioneer. The highest bidder acknowledged by the auctioneer shall be the purchaser. The auctioneer shall have the final discretion to determine the winning bidder.

Bell Ringer Rules

A Bell Ringer is an opportunity for more than one winning bidder for a Live Auction item. Bell Ringers will be limited and unknown in advance. If, at the conclusion of bidding for any given Live Auction item, the auctioneer decides to offer a Bell Ringer for that item, the Auctioneer will offer the item to both the highest bidder AND the second highest bidder. If the second highest bidder still wants to purchase the item, then both the highest bidder and the second highest bidder will pay the price of the second highest bid. If a Bell Ringer is offered to a third bidder, the third highest bidder will be offered the same item at the price of the second highest bid.

February 27, 2016

I wish a warm welcome to the parents, teachers, staff and friends of St. Ambrose School as you gather here tonight at the 2016 St. Ambrose Gala!

It is my honor to be writing to you on behalf of the students of St. Ambrose. We would like to express our sincere gratitude that you have taken the time out of your busy schedules to be here tonight, supporting our wonderful school! I have experienced firsthand the impact that your generous donations have had on the students here. In the last few years alone, we have seen many changes that range from new laptops to a preschool!

Without all the support that you provide, these improvements would not have been possible. Your contributions are invaluable in the growth of our students as children of God, and leaders in our community!

We hope that you have an enjoyable night and that you continue to support the wonderful cause that is the growth and development of our students in this caring and Catholic environment!
