Buzz in the outside front doors – coming soon
6. Field trips  
The reason funds were dropped: most of the PTO money is made in the second half of the year.  
Now they can't carry over money from the previous year.  
Hard to fund fall project.  
Maybe fund one spring field trip when they have the money.  
Maybe have Superhero Fun Run go to raise money for field trips as well as teachers' Christmas bonuses
7. Items I asked about:  
Shakespeare money – will decide closer to the date. I told them \$350 was the minimum for a dinner.  
Checking on putting an ad in the yearbook.  
Will reevaluate "start up fund" for teachers next year. Many teachers did not use it – they may eliminate it and put the money toward a different project. 😞  
Will think about moving Trunk or Treat to a Saturday next year – probably not....
