Respect Life Infant Gift Basket Service Project - January 19 - February 3, 2017

The St. Ambrose Community in supporting the importance of “Respect Life” month will be collecting items for Infant Gift Baskets for the Tepeyac Family Center. Under the umbrella of Divine Mercy Care (DMC) a non-profit healthcare organization, the Tepeyac Family Center opens its doors to provide pregnancy healthcare to the poor and underserved. If possible, please join in helping others by donating any of the items listed above (**new** items, please).

There will be boxes placed in the school foyer for donated items and any gift cards, cash or checks can be given to the front office or through the Wednesday folder. If you have any questions regarding this service project please contact Clare Stalnaker at clarestal@gmail.com. Thank you for your consideration!
