

Dear Parents,

DISCOVERY TOYS, INC. offers award-winning toys, books, and games for ALL ages. Its products are safe, developmentally appropriate, challenging, creative and FUN! The company is nationally recognized and enjoys an excellent reputation in the industry and among parents and educators.

You will have the opportunity to view a display of DISCOVERY TOYS at St. Ambrose School **from 8:30 – 9:30 am and 3-4 pm on Wednesday, December 2 and from 11:30-12:30 and 3-4pm on Thursday, December 3.** Educational Consultant, Cindy Connors, will be at the table to answer any questions and make recommendations.

This is a “Toy Raiser” for St. Ambrose School. You can help the school earn educational products for the classrooms by placing an order OR by purchasing a toy on the School Wish List. The Wish List will be available for you to see at the display. The school will obtain HALF PRICE items if you decide to host a party of your own and earn your OWN Hostess Free Toys.

You may preview the catalog or place orders in advance at <http://www.discoverytoys.com/publicstore/event/38710/AM/default.aspx> . There will also be some catalogs in the office for you to check out. Feel free to take outside orders from family and friends over Thanksgiving break and drop off the order at school or on the link above.

Take advantage of this convenient opportunity while your children are in school to see and order DISCOVERY TOYS top quality products for your family’s personal use and stock your closet for birthday parties, baby showers and Christmas gifts!

PLEASE COME AND BRING YOUR FRIENDS AND RELATIVES!
(Grandparents are always welcome!)
