

SAVE THE DATE!

Thursday, September 12

6:00pm

It takes an army of bees to make a hive successful.....
and at St. Ambrose, it takes **caring and dedicated parents like YOU**
to make our school and community the best it can be!

To volunteer at St. Ambrose, **you must be VIRTUS certified** by the Diocese of Arlington. **VIRTUS** is a **FREE** training session where diocese employees, parents, and any and all volunteers that will have contact with children receive the required training. It also includes an extensive background check.

VIRTUS training is required only ONE TIME, so attending this training will make you eligible to volunteer throughout your child's Catholic education. Once certified, you can: attend class parties, chaperone field trips, be a room parent and volunteer at school events*. To make this process as simple as possible, we have arranged a VIRTUS training class at St. Ambrose this fall.

To sign up and get certified:

1. Please **register** at www.virtusonline.org

Our session is listed under: Arlington, VA (Diocese) in the dropdown menu. Please click Start Registration to setup an account and register.

2. Contact **Trish Konczal** at the school office to obtain a background check packet
3. **Complete and return** the signed forms to the school office
4. **Attend** your VIRTUS training class on **September 12 @ St. Ambrose, 6pm**

Contact Trish Konczal with any questions at tkonczal@stambroseschool.org

**St. Ambrose Catholic School requires that each family fulfill 15 Volunteer Service Hours during the course of the school year. Don't delay! Please register for this session ASAP!*
